

FENCING AND GATE SYSTEMS

Architectural fencing that won't rust or weather.

Fences and gates for homes and commercial projects, made from 4K Aluminum's standard extruded aluminum. Unlike iron and steel it won't rust; unlike wood it won't show age or weather.

3"

Main post, reinforced

2"

Side post, solid

2" x 5"

Gate frame

6' · 8' · 10'

Panel lengths

Fences and matching gates

MIX AND MATCH

Fences

1" x 4" and 1" x 6" lattice boards between 3" main posts and 2" side posts, in 6', 8' or 10' panels.

SAME BOARDS AND FINISHES

Gates

Single, double, walk and side gates on a heavy-duty 2" x 5" gate frame.

Key features

Heavy-duty posts

A reinforced 3" main post and a solid 2" side post carry the boards.

Mix and match boards

Combine 1" x 4" and 1" x 6" boards in any mix of widths and colors.

Integrated LED option

The 3" main post offers an integrated LED channel along the fence line.

Won't rust or weather

Corrosion-resistant aluminum, powder coated to AAMA 2604.

Completes the look

Integrates with 4K Aluminum pergolas, louvers, cladding and privacy walls.

Custom layouts

Heights, post spacing and configurations set for each project.
